

PRESIDIO COMPONENTS, INC.

January 2018

Presidio Components, Inc., an industry leader in the manufacture of specialty capacitors since 1980, is pleased to announce that it has acquired the assets of Wright Capacitors, Inc. (WCI). The acquisition includes the purchase of all assets including open purchase orders, as well as a definitive agreement to manage a seamless transition and continued outstanding customer service for the mutual customer base.

Alan Devoe, President and CEO of Presidio Components, Inc., stated, "We are very pleased with the Wright acquisition. The addition of the Wright Capacitor Product Line, Wright's solid reputation among tier one specialty capacitor customers, and Wright's forty years of dedication to quality and innovation, will both complement and expand Presidio's product offerings. We look forward to serving their customers for many years to come."

About Presidio Components, Inc.

www.presidiocomponents.com

Presidio Components has been an industry leader in the manufacture of ceramic capacitors since 1980. We are dedicated to excellence in manufacturing, process control and customer service. All products are manufactured and tested in our state-of-the-art, 75,000 square foot facility in San Diego, California, allowing for immediate response to your business needs. We have numerous patents, and hundreds of years of combined engineering experience, and we can formulate the right product for your application. At Presidio Components we work hard to build positive, long term relationships with our customers and we will go the extra distance to ensure customer satisfaction.

About Wright Capacitors, Inc.

www.wrightcapacitors.com

Wright Capacitors, Inc. (WCI), is known the world over as the preeminent custom ceramic capacitor supplier. With four decades of experience, WCI specializes in producing all types, styles and configurations of ceramic capacitors: assemblies, stacked caps, surface mount, radial-leaded, conformal coated or fully encapsulated (potted) multi-layer ceramic capacitors. Additionally, WCI offers a wide array of single-layer ceramic capacitors. Simply put, if your need is for a ceramic capacitor, Wright Capacitors can do it, ***The Wright Way!***
